Subject: Notice of File Closure, Jack Wayne Roberts, 3 Guys Rock and Gem #2, S/023/064, Juab Counties, Utah

Dear Mr. Roberts:

The 3 Guys Gem #2 small mining permit, file number S/023/064 located in Juab County, Utah, will now be closed and the file retired. An August 1, 2006 letter from the BLM confirms that they have closed and released the site. On March 20, 2003 a site inspection was performed by the BLM revealed that reclamation had been satisfactorily completed and on March 27, 2003 a Notice Expired-Reclamation Satisfactorily Completed letter was issued by the BLM. The Division tried unsuccessfully to locate the site in August of 2006.

You are now released from further mining or reclamation responsibilities at this site. If you wish to conduct any future mining related activity in this area, you will need to submit a new notice to the appropriate agency(s), prior to creating any disturbance. If you have any questions or concerns regarding this action, please contact me at (801) 538-5258 or Tom Munson at (801) 538-5321.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. White".
